Student-Run Clinics

- Work with MS, PAs, MDs to provide care to underserved communities
- Take vitals, history, and assist with procedures, etc.
- ~40 hours commitment per quarter
- Most are under UCDCMC
- Applications generally open during Fall/Spring
- Very competitive
- Experience is not required

Certified Nurse Assistant (CNA)

Certified Nurse Assistant (CNA)

- Feeding patients, bathing patients, taking vitals, and assisting RNs with basic procedures
- Course: 6-12 weeks
- Certification Test: National Nurse Aide Assessment Program (NNAAP)
- Job Opportunities: Many jobs available (hospitals and nursing homes)

Emergency Medical Technician (EMT)

Emergency Medical Technician (EMT)

- Respond to Emergency and Non-Emergency calls in an ambulance
- Help stabilize patients, take vitals, give certain medications, take medical history/assessment, and assist paramedic with ALS treatments
- Course: 5-16 weeks
 - UCDFD offers an EMT courses during Summer/Winter Quarters
- Certification Test: National Registry of Emergency Medical Technicians (NREMT)

ED Technician (ED Tech)

Emergency Department Technician (ED Tech)

- Help patients get situated when admitted to ED, apply EKG, splint & bandage wounds, assist MD/PA/RN with basic treatments
- Hospital ERs require either an EMT or CNA license
 - California: Mostly require EMT Certification (with 6 months to 2 years of ambulance experience)
- Job Opportunities: Very few jobs

Medical Assistant (MA)

Medical Assistant (MA)

- Normally work in doctor's offices or clinics
- Take vitals, get patient history, prep patients for procedures
 - injections, blood draws, etc.
- Course: 4-12 months
 - Some employers may not require a formal course or certification
- Back office work/scribe

Scribe

Scribe

- No Course/Certification required
- Companies offer on-the-job training
- Follow healthcare professionals
- (MD/DO/PA/NP/etc.) and document medical history, physicals, and other pertinent medical findings (EMR)
- Job Opportunities: Decent amount of jobs available (Scribe America, CEP America, Elite Medical Scribes, PhysAssist, etc.)
