Personal Statement Workshop Series

Getting Started
Thursday, April 12th 6:10 pm HPAC
Just getting started? Learn about the common questions and myths related to personal statements, along with how to connect your experiences and theme while developing your surface story and the understory.

Organization and Structure
Thursday, April 26th 6:10 pm HPAC
The second step is editing for organization and structure. Learn about ways to create flow and rhythm between sentences, paragraphs, and ideas and how to arrange and connect experiences to create flow.

Taking Editing into Your Own Hands
Thursday, May 10th 6:10 pm HPAC
Do not wait for someone else to copyedit your personal statement. Learn how to tackle any grammatical and sentence level issues by coming to this workshop where you will become more aware of the common issues. Through this workshop you will learn how to gain basic copyediting skills.

Drop-In Personal Statement Advising
Thursdays: April 19th, May 3rd, and May 17th 6:10 pm HPAC
After going to the workshops above, come by during these special drop-in hours to work on your personal statement with an advisor.

Health Professions Advising Center (HPAC) is located at 1090 Orchard Road.
