This chart is a guide only. Additional courses may be recommended. Always check programs' websites before applying.

Last updated 11/06/17.

- Units shown are quarter units. Some requirements shown are estimated equivalents to semester units.
- If a school appears to have no requirements, then that school's admissions requirements are based on competencies, not courses. See school website for details.
- If you have any questions, contact the school or visit the school website.
