9 a.m. to 12 p.m.
180 Med Sci C
Breakfast provided.

What is the MedPrep Program?

The MedPrep Program is a year-long program designed for pre-medical students planning to take the MCAT and apply to medical school. The program features both MCAT prep and application prep material with each session covering a section of the MCAT thanks to **The Princeton Review**, along with general medical prep topics as noted below.

Who is the Program for?

The MedPrep Program is open to everyone. Participants who attend every session will receive **free MCAT prep** along with a **Pre-Medical Certificate** that will be presented at the end of the program. Students must attend every Saturday session to receive the certificate. Note: For App Prep information only, arrive at 10:15 am.
