This chart is a guide only. Additional courses may be recommended. Always check programs' websites before applying.

- Units shown are quarter units. Some requirements shown are estimated equivalents to semester units.

- If a school appears to have no requirements, then that school's admissions requirements are based on competencies, not courses. See school website for details.

- If you have any questions, contact the school or visit the school website.

- * To fulfill the Lifespan Human Development requirement, you must complete the entire HDE 100ABC series or the equivalent at a community college.
