- Units shown are quarter units. Some requirements shown are estimated equivalents to semester units.
- If a school appears to have no requirements, then that school's admissions requirements are based on competencies, not courses. See school website for details.
- If you have any questions, contact the school or visit the school website.
- * To fulfill the Lifespan Human Development requirement, you must complete the entire HDE 100ABC series or the equivalent at a community college.

**** SDSU's program is not an accelerated program. The program is 6 semesters long (3 academic years)**
