

	General Biology	General/Inorganic Chemistry	Organic Chemistry	Biochemistry	Physics	Mathematics	Behavioral Sciences	English Composition	Other
Touro University California COM	12 units (lab required)	Option 1: 12 units General Chemistry (lab required) + 12 units Organic Chemistry (lab required) Option 2: 6 units General Chemistry (lab required) + 12 units Organic Chemistry (lab required) + 6 units Biochemistry (lab required)			12 units (lab required)	One course	Two courses	Two courses	Anatomy and Physiology recommended
Western University of Health Sciences College of Osteopathic Medicine of the Pacific	12 units (lab required)	12 units (lab required)	12 units (lab required)	Recommended	12 units (lab required)	–	12 units	12 units	Genetics and Physiology recommended
Lake Erie COM	12 units (lab required)	12 units (lab required)	12 units (lab required)	Recommended	6 units (lab required)	–	9 units	9 units	Anatomy, Physiology, and Microbiology recommended
A.T. Still University SOM in Arizona	12 units (lab required)	12 units (lab required)	12 units (lab required)	Recommended	12 units (lab required)	–	–	12 units	Anatomy, Physiology, Microbiology, Genetics, Cell Biology, and Immunology recommended
Rocky Vista University COM	18 units (lab required)	12 units (lab required)	12 units (lab required)	4.5 units	12 units (lab required)	–	9 units	9 units	Anatomy, Physiology, Genetics, and Cell Biology recommended
Campbell University SOM	12 units (lab required)	12 units (lab required)	12 units (lab required)	Recommended	12 units (lab recommended)	–	–	12 units	9 additional units of upper-division science required; Anatomy, Physiology, Microbiology, Genetics, and Immunology recommended
Des Moines University COM	12 units (lab recommended)	12 units (lab recommended)	6 units (lab recommended)	4.5 units	12 units (lab recommended)	–	–	9 units	Anatomy, Physiology, Microbiology, Cell Biology, and Immunology recommended
Liberty University COM	12 units (lab required)	12 units (lab required)	12 units (lab required)	6-8 units	6-10 units (lab required)	Statistics recommended	–	Two courses	6 additional units of upper-division science required; Anatomy, Genetics, Immunology, and Epidemiology recommended
Kansas City University COM	18 units (lab recommended)	19.5 units		4.5 units	12 units (lab recommended)	–	–	–	–
Marian University COM	12 units (lab required)	12 units (lab required)	12 units (lab required)	4.5 units	12 units (lab required)	Statistics recommended	9 units	9 units	Molecular Biology, Genetics, and Humanities courses recommended
Rowan University SOM	12 units (lab required)	12 units (lab required)	12 units (lab required)	Recommended	12 units (lab required)	9 units (Statistics or Computer Science can satisfy up to 4.5 units)	9 units	9 units (including 4.5 units additional English courses)	Anatomy, Physiology, and Microbiology recommended
Burrell COM	12 units (lab required)	12 units (lab required)	12 units (lab required)	Recommended	12 units (lab required)	–	Recommended	9 units	4.5 additional units of science electives required; Anatomy, Physiology, Genetics, Cell Biology, Molecular Biology, Immunology, and Neuroscience recommended
Michigan State University COM	12 units (lab required)	24 units (lab required; including 4.5 units Biochemistry)			–	–	–	9 units	Anatomy, Physiology, and Genetics recommended
Edward Via COM	6 units (lab recommended)	9 units (lab recommended)	9 units (lab recommended)	Recommended	9 units (lab recommended)	–	–	9 units	9 additional units of upper-division science required; Anatomy, Physiology, Microbiology, Genetics, Immunology, and Virology recommended
Pacific Northwest University of Health Sciences COM	18 units (lab recommended)	12 units (lab recommended)	12 units (lab recommended)	Recommended	12 units (lab recommended)	–	Recommended	9 units	Molecular Biology, Genetics, and Humanities courses recommended
Philadelphia COM	12 units (lab required)	24 units (lab required; including 6 units Organic Chemistry and 4.5 units Biochemistry)			12 units (lab required)	–	–	9 units	–
Midwestern University Chicago COM	12 units (lab required)	12 units (lab required)	12 units (lab required)	Recommended	12 units (lab required)	–	–	9 units	Anatomy and Physiology recommended

This chart is a guide only. Additional courses may be recommended. Always check programs' websites before applying.

- Units shown are quarter units. Some requirements shown are estimated equivalents to semester units.
- If a school appears to have no requirements, then that school's admissions requirements are based on competencies, not courses. See school website for details.
- If you have any questions, contact the school or visit the school website.
