Live webinar specifically for UC Davis pre-health students!

To register visit hpa.ucdavis.edu/programs/events

This is an opportunity for Davis students to:

- Hear each association describe an overview of their fields:
  - Osteopathic Medicine
  - Optometry
  - Pharmacy
  - Physical Therapy
  - Podiatric Medicine
  - Veterinary Medicine
- Learn why students from UC Davis should explore these fields
- Where to find more information after the event
- Participate in a live Q&A Session with panelists from each association

Hosted by the professional associations:

American Association of Colleges of Osteopathic Medicine
Association of Schools and Colleges of Optometry
American Association of Colleges of Pharmacy
American Physical Therapy Association
American Association of Colleges of Podiatric Medicine
Association of American Veterinary Medical Colleges
