

This chart is a guide only. Additional courses may be recommended. Always check programs' websites before applying as their prerequisites may have been updated without us knowing.

- Units shown are quarter units. Some requirements shown are estimated equivalents to semester units.
- If a school appears to have no requirements, then that school's admissions requirements are based on competencies, not courses. Visit school website for details.
- If you have any questions, contact the school or visit the school's website.
- To fulfill the Lifespan Human Development prerequisite, you must complete the entire HDE 100ABC series at UC Davis or the equivalent at a community college.
