Conquering CARS:
Weekly CARS Prep

Tuesdays: starting 7/24
5:10 - 6 pm
119 HPAC

CARS Prep sessions will be offered every other week starting 7/24. The instructor, Ron, will be reviewing two passages per session and will go over how he would outline and approach the reading based on passage and author type. He will also discuss how to approach answering questions.

Tuesdays that are not prep sessions, will be time for drop-ins. Students can come with questions about how to study for the CARS section or the MCAT in general. Students can also use this as a study space.

CARS Prep Sessions: 7/24, 8/7, 8/21, 9/4, 9/18
Drop-Ins: 7/31, 8/14, 8/28, 9/11

*Please note time and location may change in the future.
