THE HEALTH PROFESSIONS SCHOLARSHIP PROGRAM (HPSP) APPLICATION GUIDE

The F. Edward Hébert Armed Forces Health Professions Scholarship Program is one of the most comprehensive health care scholarships available. It offers full tuition, a generous monthly stipend for qualifying students and the support of the U.S. Army health care team, one of the largest, most advanced health care networks in the world.

FIVE STEPS TO APPLY FOR THE HPSP SCHOLARSHIP

**STEP 1** CONTACT A U.S. ARMY RECRUITER
Reach out to an U.S. Army Medical or local recruiter to schedule a preliminary interview to learn about joining the U.S. Army health care team and the HPSP application process. They will also provide the application forms.

**STEP 2** ORGANIZE NECESSARY PAPERWORK
Gather your transcripts, letters of recommendation and test scores. You’ll need these to submit with your HPSP application.

**STEP 3** COMPLETE YOUR HPSP APPLICATION
Plan to complete your HPSP application form at the same time as you apply to your desired medical schools. Include all of the medical schools you have applied to in your HPSP application.

**STEP 4** SUBMIT YOUR HPSP APPLICATION
When your application is complete, submit it, along with your letters of acceptance, through your U.S. Army recruiter. A selection board will evaluate your application packet and send you an Award Notification letter if accepted.

**STEP 5** FINALIZE YOUR HPSP ENROLLMENT
Once you are accepted to an accredited physician of medicine or physician of osteopathic medicine degree program, contact your recruiter to finalize your HPSP enrollment.

**THE U.S. ARMY WILL PAY 100% OF YOUR TUITION**
for a graduate-level health care degree at any accredited school in the U.S. or Puerto Rico.

**MONTHLY STIPEND OF MORE THAN $2,200**
while you attend school.

**RECEIVE PAYMENT FOR 45 DAYS**
