University of South Florida	5 Units (any biology, chemistry, physics or biochemistry)			–	12 Units (with lab)		6 Units	5 Units	5 Units	5 Units (any psych course)	5 Units	–	–	–	–	–

This chart is a guide only. Additional courses may be recommended. Always check programs' websites before applying.

- Units shown are quarter units. Some requirements shown are estimated equivalents to semester units.
- If a school appears to have no requirements, then that school's admissions requirements are based on competencies, not courses. See school website for details.
- If you have any questions, contact the school or visit the school website.
- To fulfill the Lifespan Human Development requirement, you must complete the entire HDE 100ABC series or the equivalent at a community college.
