

# Conquering CARS

Tuesdays starting 4/9

5:00 - 6:30 pm

HPAC 119

CARS Prep sessions will be offered every Tuesday Spring Quarter starting April 7th.

The instructor, Ron Hart, is a staff advisor and will be reviewing two passages per session. He will also go over how he would outline, approach the reading based on passage and author type, and how to approach questions.

Students can also come with questions about how to study for the CARS section or the MCAT in general. Students can also use this as a study space.
